

TTAG NEWSLETTER - OCTOBER 2018

President's Report

Well, lots going on. Was good to see a large turnout for Gumboots 70th B Day. There was also a good turnout for the club ride to Twizel. Rally stuff coming along well. The booze is ordered just waiting on the License. Hopefully there won't be any issues. Just a reminder for those riders that like to have a bevvie or two too. Just beware of the condition you are in when leaving as we want everyone to return home safely. Basically just don't ride pissed as you may end up injuring yourself or someone else, or even worse destroying your beautiful ride.

Cheers Shawn

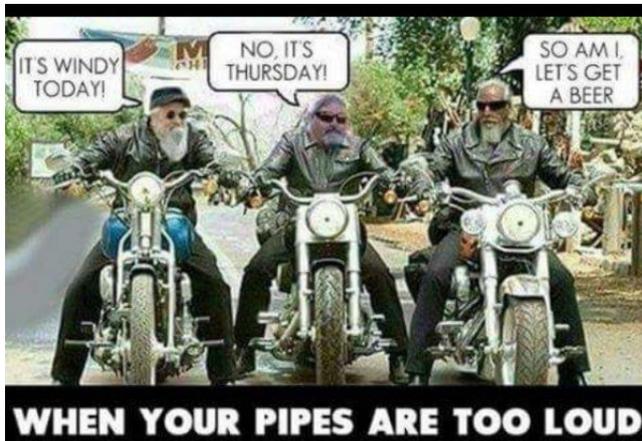

Many of us were able to join Gumboots last month in being able to celebrate being 70 years young. I don't think he looks a day over 21! Many thanks to Liz and Rowdy for opening their home, and backyard, to show Gumboots what he really means to us all. With heartfelt words, and candles that just wouldn't go out, partygoers

Can't wait to see that bunny outfit, Gumboots!

As previously emailed, Charlie has "organised" a weekend ride to Ikamatua, 25 kms Southwest of Reefton. It is not technically an organised ride, however, there will be a contingent of Taggies, but is also open to anyone else, going on the weekend of November 2nd - 4th. Some are choosing to go for two nights, others, one. Accommodation is up to the individual, and quite limited - the Ikamatua Hotel. (www.ikamatuahotel.co.nz, 03-732-3555). The suggestion would be to phone the hotel directly, as online booking has it booked out. One could also mention they are coming over with the group and they may be able to squeeze everyone in. I will get an idea of when people are leaving, both on the Friday and the Saturday, and post, although this is also up to the individual - there is no set ride time.

A Working Bee has been organised by the committee, to prepare the Winchester Showgrounds for the Rally. Set aside November 10. Many hands make light work and help would be appreciated. This will include organising wood, checking in to the facilities, etc, etc.

Congratulations to Club members, Rick and Gillian. They were married October 6th!

The next club ride is Sunday, October 14th. Slightly earlier than usual with Labour Weekend coming up. This will be to Dippy's nieces' new venture, Green Man Cafe, in Peel Forest. 11am departure from the Empire Hotel. Might have to go the long way around!

My apologies to the committee, I was meant to hand out flyers for the Rally at the last committee meeting..... I still have them.... If ANYONE wants any, please let me know and will get them to you ASAP. I will bring them along to the club ride also.

Remember, she'll be all go this next month! The roster will be out soon, so please take a look at it when it does, so all our shifts are covered.

See you Sunday!

Tanya
